

# Short-Term Mission Trip to the Dominican Republic!

January 7–14, 2023

Serve with us in impoverished communities in the southwest region of the Dominican Republic. We offer you a life-impacting opportunity to improve others' lives through performing a service project, work alongside our staff in a food distribution program, and experience a new culture.

Our organization has been working in the Dominican Republic for almost 25 years, operating a year-round food distribution program and hosting mission teams to share the hope of Jesus in the communities we serve.

Whether this is your first venture into international missions, or you are a seasoned traveler, you can help to make a difference in these communities while having a rewarding and enriching experience!

*Cost is \$725/person, and includes all in-country travel, meals, lodging, project materials, and travel medical insurance.*

*Airfare is not included. Scan the code to the right with your smartphone's camera to see more information on our website.*

**People with all gifts & skill sets are invited to serve!**

For our January team, we are also specifically seeking one or more individuals with electrical expertise and a few individuals with experience sealing concrete.
